

Christmas Parties 2008

Enjoy your Christmas Party with the minimum of pre-planning. Just make your booking, pay your deposit and balance and arrive ready to party. The relaxed style of the Carvery means that you don't need to choose your meal in advance - entirely the opposite - a visit to the Carvery offers you the opportunity of choosing any (or all) of our roast selection. But please remember that serving everyone individually can take some time so we ask that you book to dine before 8:30 so we don't delay the Disco.
